D.S. §

2. Little Lane by the hill,
 So deserted and still,
 With the weeds growing wild and tall,
 There's a hush as the shadows fall,
 There's a voice that's beyond recall;
 And I hear once again -
 So it seems Little Lane,
 All the woodland is asking why
 There's no light in the evening sky,
 There's no love like the years gone by.

CHOS. Tho' my sweetheart's gone, etc.

2. *Caminito que todas las tardes*
feliz recorria cantando mi amor
no le digas si vuelve a pasar
que mi llanto tu suelo regó
Caminito cubierto de cardos
la mano del tiempo tu huella borró
yo a tu lado quisiera caer
yo que el tiempo nos mate a los dos.

REF. *Desde que se fué etc.*
